

**THE 44th
NCACC ANNUAL
CONFERENCE
Lake Tahoe, Nevada
AUGUST 6 to
AUGUST 11, 2017**

SUNDAY, AUGUST 6 IS THE BIG AUCTION!

Remember to bring an item to donate and let's see how much we can raise this year. It is more fun when EVERYBODY participates!

WEATHER REPORT

Looks like we will have beautiful days in Tahoe for the conference.

Temperatures should be about 83 degrees during the day and about 51 degrees at night.

Remember to bring a light jacket, as many times in the meeting rooms, it gets cool.
